Positive Brothers - 9 a.m.

Positive Brothers have a career that stretches over ten years. Most members have grown up together since childhood, which made them The Positive Brothers. Not having family to provide for their future needs, they made the decision to become a family. Excellent showman ship, amazing presentation, courageous urban dance, along with gymnastics makes this a great family show.

Pogo Fred - 9:45 a.m.

Pogo Fred holds multiple Guinness World Records for his extreme pogo stunts and is regarded as one of the best jumpers on the planet. Check out his incredible tricks and flips as he jumps 10 feet in the air on his next generation and 10-foot tall pogo sticks. [pogofred.com](http://pogofred.com)

The Space Cowboy - 10:15 a.m.

One of the most innovative Sword Swallowers alive today, he performs an ever expanding list of sideshow stunts as well as elite circus skill including his world champion dangerous 3m unicycle finale. The Space Cowboy is a living phenomena guaranteed to leave a lasting impression on those who witness his incredible acts. Following in the footsteps of legends such as Houdini his death defying displays are history in the making. [thespacecowboy.com](http://thespacecowboy.com)
